

Why Pro-Life?

*Do you have questions about your birth control? Are you really seeking a contraceptive—to prevent pregnancy? Dr. Kothari of Capital Women's Care is willing to talk with you, even if you are not a patient of his.

*If you know someone is going to get an abortion, would you ever say, "I can't risk my friendship by confronting them?" If you understand that abortion is a sin and you understand friendship and you understand what it means to be a follower of Christ, then you must speak up, or you will have betrayed your friend, and innocent child, and your Lord.

-Randy Alcorn, Pro-Life Answers to Pro-Choice Arguments, p 365

*We encourage you to let your voice be heard. Write to President-Elect Obama and other area leaders on a regular basis. Keep it short (front of one page) and to the point. Don't know what to say? Randy Alcorn allows you to use his material in it's entirety, given his credit. You can cut and paste his writings from www.epm.org. Mr. Obama's address will be: The White House, 1600 Pennsylvania Ave NW, Washington, DC, 20500. **How can you help this month?* Help distribute flyers for 40 Days for Life and sign up to be on the prayer vigil. Help promote the movie, Come What May, which will be showing at FCF in January. Bring friends to the movie event. Offer to babysit so that others can come see the movie. Post flyers in public places or at churches and schools.

*Are you post-abortive? Forgiveness and healing can be yours. Remember, it is a mistake to try to eliminate feelings of guilt without dealing with the root cause of that guilt. If you have been trying to push your abortion to the back of your mind, if it keeps you in secretive shame, it is time to deal with the root cause. We can help.

Small amounts help in tremendous ways! For example: \$10 will sponsor a man or woman for a Bible study or pay for a photo book to be used to show others the truth of abortion.
