*Does God forgive those who have had abortions? Scripture says, “He who conceals his sin does not prosper, but whoever confesses and renounces them finds mercy.” Proverbs 28:13

—if you are carrying the heavy sin of abortion, please call us. We can help you on the path of healing.

*Early women’s rights advocates were pro-life, not pro-abortion. A leading pioneer feminist, Elizabeth Cady Stanton stated, “When we consider that women are treated as property, it is degrading to women that we should treat our children as property to be disposed of as we wish.”

Brought to you by: New Creation Refuge, www.newcreationrefuge.org, 301-560-1366. Donations can be made to New Creation Refuge, P.O. Box 641, Falling Waters, WV, 25419. Small amounts help in tremendous ways! For example: \$10 will sponsor a man or woman for a Bible study or pay for a photo book to be used to show others the truth of abortion.

Why Pro-Life? Part Two

*Years of experience with people in and outside of the church who've had abortions have convinced us that an abortion is **never** in the best interests of the mother. The truth is that in abortion there are two victims: one dead, one wounded. –Randy Alcorn

***How can you help this month?** Pray about joining us in Frederick, MD for 40 Days for Life vigils in February. And learn about FOCA (see below).

Barack Obama is now the incoming President. And he made a promise to Planned Parenthood last year they expect him to keep: *“The first thing I'd do as President is sign the Freedom of Choice Act. That's the first thing I'd do.”* The Freedom of Choice Act (FOCA) would eliminate *every* restriction on abortion *nationwide*. FOCA will do away with state laws on parental involvement, on partial birth abortion, and on all other protections. FOCA will compel *taxpayer funding* of abortions. FOCA will *force* faith-based hospitals and healthcare facilities to perform abortions. Obama believes this will "end the culture wars." To him, "ending the culture wars" means eradicating every state and federal law on abortion – laws that the majority of Americans support.
